

TOWN OF NORTHWOOD 250th Steering Committee

The Town of Northwood was incorporated February 6, 1773 when it separated from the Town of Nottingham. In 2023 we will be celebrating our 250th Anniversary. The steering committee would like your suggestions on how you and your family would like to celebrate this milestone in our town history. We are looking for ideas to bring citizens of all ages together with events you would enjoy attending. Thank you in advance for your suggestions.

We are also looking for new members to the steering committee and also several subcommittees where you would focus on one event or project. Please send a letter to the Board of Selectmen, 818 First NH Turnpike, Northwood, NH 03261 expressing your interest.

Events Due to costs, updated state regulations, insurance guidelines and finding safe locations with sufficient parking some previous events will not be allowed (parade or fireworks). We are looking for more group sponsored events and activities for all ages.
