

**Town of Northwood  
Master Plan Steering Committee  
October 16, 2023**

**Chairman Jandebaur called the meeting to order at 9:17 a.m.**

**Present:** Planning Board Chairman Tim Jandebaur, Planning Board Members Betty Smith, and Judi Anthony; Land Use Specialist Linda Smith and Consultant Tom Morgan of TMZ.

**Voting Designation:** Subcommittee members present.

Minutes: tabled to next meeting.

Mr. Morgan provided the revised draft survey questions for the Natural Resources the Housing Survey results for review.

Chairman Jandebaur led review and discussion of the draft survey questions. Discussion was held on the need to fund recycling and it was agreed to change question 4 of the Community Facilities survey to reflect all recycling, not just glass. In the review of the Natural Resources survey, it was noted to add circles on question 1 for snowshoeing and hiking options.

Following review and discussion on all survey questions, **a motion was made by Betty Smith, second by Judi Anthony to approve the survey questions with amendments as noted. Vote: 3/0.**

Discussion was held on having Tom Morgan attend the next work session of the planning board to discuss the housing survey results. It is agreed to add him to the Nov. 9 work session agenda.

The next meeting of the Master Plan subcommittee is Monday, Nov. 20 at 9 am.

**Motion to adjourn is accepted at 9:50.**
