

3/10/21 Safety Facilities Strategy Committee ZOOM Meeting

In attendance: Beth Boudreau, Elaine St Jean, Paul Tudor, Joe McCaffrey, Mark Morrill, Mike Moore, Bob Young

Discussion revolving around spreading the word of the video promoting the land purchase.

- Town website: adding it below the deliberation notice above the 250 information
- The Forum: towards the end of April sending an announcement and video
- Suncook Valley Business Directory is a new newsletter that is mailed to all residents in town. Paul will look into having a notice alerting people to the URL to view the informational video prior to deliberation/voting day. The due date for a notice is 3/26 for the April mailing. Elaine will email him with the pertinent information his address is paultudor.1strokingham@gmail.com (I think I got this correct?)
- Facebook: posting the video link to get the word out on the various community pages and town sponsored pages
- Voters Guide: will it be mailed out?
- Talk of length, is it too long to show at deliberation at 4.51 minutes it should be fine
- Talk of potentially land purchased out of leftover 2020 funds (this is still up for discussion at the BOS level, more information will follow when a decision is made as to how this may or may not proceed)

Thank you all for your time, thoughts, and dedication to our town
Beth
