**Northwood Public Safety Facilities Evaluation Committee**

The Northwood Public Safety Facilities Evaluation Committee is hereby created by the Northwood Select Board for the following purpose:

**BASIS:** Given our town's critical public safety facility needs, especially with the existing Police Department facility, the Select Board believes we should continue to present options to the voters until a viable solution is approved.

**MISSION:** This committee will build on work of prior committees by reconsidering and reevaluating all possible solutions for addressing the facility needs of both the Fire and Police Departments – including options for one combined facility and options that have separate departmental facilities.

**COMPOSITION:** the committee will comprise of the following members:

- Select Board Rep (advocate for Fire Department)
- Police Commission Rep (advocate for Police Department)
- Three citizens at large

PD Chief, FD Chief or their designates will serve as committee advisors / data sources

**REPORTS:** The committee will periodically report to the Select Board on its progress and provide a final report with recommendations on or before December 31, 2022.
