

Safety Facilities Evaluation Committee

9 Nov 2022 @ 6 PM

Committee Members: Michael Moore, David Copeland, Hal Kreider

Advisors: Mark Tetreault, Walter Johnson

Outreach Consultant: Tom Morgan

Discussed the revised outreach proposal, which has more public input at the start of the process. All agreed this was a better approach. Dates were refined as follows:

Outreach materials ready for review on 9 Jan and finalized for use at deliberative session

Survey ready reviewed and finalized by 1 March so we can publicize in conjunction with voting

Tom passed out examples of the business cards we would use to direct people to the project web site.

Suggestions for distribution: Transfer station, library, town hall, voting poll, all town events

Motion to adjourn passed at 7 PM
