Town of Northwood Planning Board
Application Procedure Information

1. Refer to the Northwood Development Ordinance, Site Plan Review Regulations or Subdivision Regulations for your particular proposal. These regulations are available at the Town Hall for a fee of \$10.00 or at www.northwoodnh.org, at the Planning Board's link to "Documents and Forms."
2. Completed Site Plan Review and Subdivision Applications and all fees must be filed to the attention of the Planning Board Staff at the Town Hall during regular business hours. You must first schedule an appointment to meet with the Land Use Administrative Assistant to drop off any plans/applications/or updated documents & plans. The deadline for complete applications is 10 am on the **first business day of each month.** Whenever the first falls on a Friday or a weekend or holiday, the next business day shall apply.
3. Applicants may consult with the Land Use Specialist prior to submitting an application. Hours for the Planning Board are Mondays from 9:00-4:00. The Land Use Specialist is available for appointments at other times during the week; please call to schedule. All questions on the application or the process should be directed to the Land Use Specialist.
4. All projects must comply with the Northwood Development Ordinance. Some projects may also require relief from the Zoning Board of Adjustment.
5. The application includes a checklist of required information for planning board review. Please check off the documentation that has been provided or those items for which a waiver is requested. All waiver requests must be provided in writing at the time the application is submitted. The checklists are summaries of the requirements; **the regulations must also be consulted for more detail and information required.**
6. Applications containing sufficient information for review will be placed on the agenda for the planning board's regular meeting on the **fourth Thursday of the month.** The planning board staff will send written notification by certified mail of the date, time and place of the meeting to abutters listed by the applicant. Public notice will be provided as required by state statute.
7. The application may be reviewed by the Town Planner, Land Use Specialist, Code Enforcement Officer, Fire Department, Police Department, Highway Foreman and other appropriate town staff as part of the Technical Review Process on an as needed basis.
8. At the regular meeting, the Planning Board will first make a determination on whether the application is complete. If complete, the Board accepts it and opens the public hearing. The board will then either approve or disapprove the application within sixty-five (65) days of acceptance of the application unless a continuance is requested by the applicant.
9. The applicant shall receive a Notice of Decision from the Planning Board which states the approval or disapproval of the application with any conditions specified.
10. Once approved, three 22" by 34" paper copies are filed with the town. Mylars must be provided for approved subdivisions to be recorded at the Rockingham County Registry of Deeds.
11. Be aware that there may be other requirements or approvals required from other entities (building permit, fire code, driveway permit, etc.) after the Planning Board process is completed.
