

In 2023, the town of Northwood was awarded a grant from NH the Beautiful (NHtB) in the amount of \$4500.00. This grant was used toward the purchase of the new Hydraulic Compactor. The town will be replacing this new unit with the unit they were using but unfortunately had to get rid of due to a hydraulic leak.

NH the Beautiful, Inc. ([www.nhthebeautiful.org](http://www.nhthebeautiful.org)) is a private non-profit charitable trust founded in 1983. All NHtB funding comes from voluntary donations made by the soft drink, grocery, and malt beverage industries in NH.

NHtB has been helping New Hampshire communities improve their recycling programs for over 30 years by providing equipment grants and recycling signs as well as offering discounted pricing on recycling bins and containers.

NHtB New Hampshire the Beautiful, Inc. also supports the NRRRA School Education Program (the CLUB). The Northeast Resource Recovery Association (NRRRA) ([www.nrrarecycles.org](http://www.nrrarecycles.org)) is administrator for the New Hampshire the Beautiful programs.

NH the Beautiful is pleased to support the town of Northwood and their efforts to improve their recycling program.
