

For Immediate Release

July 26, 2023

Culvert Replacement on NH Route 107 in Pittsfield

The work will require a full-time closure of a section of Route 107 for five days.

The New Hampshire Department of Transportation will begin a culvert replacement project on Route 107 in Pittsfield on Monday, August 7, at 8:30 am. The work zone is located between the junctions of Berry Pond Road and True Road and will require Route 107 be fully closed to through traffic for five days.

A [detour for through traffic](#) will be in place from the junction of Route 4 in Northwood to the junction of Route 28 in Pittsfield. Through traffic will be detoured via Route 4 & Route 28. Detour signs will be installed to direct traffic around the closure. Motorists are encouraged to sign up for free, real-time construction and traffic related messages (text or email) from <https://newengland511.org/>.

NHDOT programs and services are administered by the requirements of Title VI of the Civil Rights Act of 1964 and all applicable regulations to ensure nondiscrimination.
