

MEMORANDUM - OFFICE OF THE TOWN ADMINISTRATOR

TO: Board of Selectmen
FROM: Neil Irvine, Town Administrator
RE: Weekly Report
DATE: November 27, 2023

Town Administrator:

With the Thanksgiving break making this a short “week”, it was consumed with the basic administrative tasks including reviewing & approving the bi-weekly AP and preparing the BoS packet in advance of the meeting scheduled for 11/28. Work commenced in drafting the Warrant questions for individual warrant articles and questions were answered from interested stakeholders regarding the 2024 budget/town meeting process. I also attended a meeting of the Safety Facilities Committee to discuss next steps. A last-minute General Assistance case on Wednesday afternoon rounded out the “week” which required coordination with State and neighboring Municipal resources.

Assessor:

- In the last couple weeks, the assessor’s office is down to the last 100 parcels to review for this year’s cyclical. All cyclical review should be done prior to the end of the year.
- We have reviewed and submitted to the Department of Revenue, the sales between 10-1-2022 and 9-30-2023 required to set the Town’s equalization rate used in the equalization of the Town’s value. Values have seemed to be leveling off after several years of 15% to 20% annual increases.
- We have done one current use penalty, a subdivision, and a timber tax bill during our 4-hour one day a week (Thursday) office time. Returned phone messages and e-mails.
- We have reviewed recent sales and asking prices, comparing them to assessment records for accuracy.
- The assessor will be out for the next two weeks, returning on November 30th.

Finance:

Last week in Finance, I processed accounts payables; created bank deposits for the Treasurer; reconciled the interfund accounts; drafted reimbursement requests for the Treasurer for the Ambulance and Recreation funds; drafted reimbursement requests for the Trustees of the Trust Funds for inclusion in the consent agenda at next week’s Board of Selectmen meeting; researched the history of the Forest Maintenance Fund; performed general filing and file maintenance; worked with an ongoing public assistance client; completed bank reconciliations from October; and reconciled Town Clerk and Tax Collector revenue reports from October.

Building Inspector:

The Building Inspector and Code Enforcement Office was open only two days during the week of November 19-25, 2023. In addition to our plan review activities and requests for information, 8 construction inspections were accomplished, water sample was taken to Concord and 4 new permit applications were approved.

Meet live

The Center for Wildlife educators will focus on the importance of owls in balancing prey population, current challenges, and how you can help. Using their amazing non-releasable owl ambassadors and interactive displays, the phenomenal adaptations of owls will be explored. This hour-long program will connect you with these beautiful ambassadors of their species as well as provide their natural and personal histories that will empower you to help steward the environment, we all share. Admission is free and all ages are welcome. The Chesley Memorial Library is able to offer the program through a recurring grant from the Robert C. Grano Charitable Fund to commemorate the generosity of Joseph Grano in donating the funds to build the Theodora Kalem Grano Memorial Wing in 1991. “Joseph Grano Children’s Initiative” programs promote exploration of the natural world, music, art, diverse cultures, adventure travel, and craftsmanship.

AUTHOR VISIT: MICHELLE ZAMARRIPA “WORTH THE WAIT”

Signed books

make wonderful Christmas gifts! Author Michelle Zamarripa will be at the Chesley Memorial Library on Saturday, November 18, at 10:30 a.m. She wrote “Worth The Wait” as a way to share her love of New England by including fun facts about local animals as well as providing reminders on how to practice patience. Readers will join Milo the Moose on a nature walk while he tries to take his mind off how hard it is to wait for his first set of antlers. Books will be on sale for \$17.99.

LIBRARY CONNECTION PROJECT

The

Chesley Memorial Library was awarded \$5,187.58 from Granite United Way’s “Library Connection Project” to purchase seating for the youth area. Granite United Way grants aimed to strengthen and support families with young children by creating family-friendly spaces within local libraries. Our families needed places to sit and read to their children and our younger patrons needed more comfortable places to sit during programs, so the grant was the perfect opportunity to achieve both goals. The flexible seats have been here a while, but the two sofas were on backorder and have finally arrived!

STORY TIME

Story Time is in full swing and it’s not too late to join the fun with Miss Diane and Miss Katherine on Wednesday mornings at 10:30 a.m.! Preschoolers of all ages can listen to a story and make a craft to take home. New participants are always welcome at any time. Please call the library at 942-5472 or check out our web site (www.chesleylib.com) for more information.

LOCAL WRITERS

Local writers — whether beginner, much published, or somewhere in between — are invited to attend free writers' workshop at the Chesley Memorial Library. This month sessions will be held on Tuesday, November 14, and Tuesday, November 28, from 2:00-3:30 p.m. Sessions include group critique, writing exercises, and craft discussion. Some participants may want to come early or stay late for some quiet writing time. All genres welcome. Get some writing done this year, learn from each other, and have some fun, too!

SENIOR CAFÉ

Did you know that America is experiencing a “loneliness epidemic” according to the U.S Surgeon General? Loneliness can have a significant impact on physical and mental health. The Chesley Memorial Library Senior Café meets on Mondays from 1:00-2:30 p.m. and is a perfect chance for seniors of all ages to connect. Come prepared to enjoy a cup of coffee or tea, assorted refreshments, and lots of lively conversation!

BIG READ BOOK DISCUSSION

The Chesley Memorial Library, in partnership with New Hampshire Humanities, supported the statewide NEA Big Read of *The Bear* by Andrew Krivak. Our local book discussion was held on Wednesday, November 1. The book discussion was co-sponsored by the Friends of the Northwood Libraries, and they provided the refreshments. A Big Read broadens our understanding of our world, our communities, and ourselves through the power of a shared reading experience. *The Bear* is the story of the last two people on earth—a father and daughter. The novel explores powerful themes about the importance of intergenerational storytelling, our complicated relationship with the environment, and how to prepare for an unknown future. The afternoon group discussed the same book and both groups held thought-provoking discussions.

NEA Big Read is a program of the National Endowment for the Arts in partnership with Arts Midwest.

CLOSINGS/HOLIDAYS

The Chesley Memorial Library will be closed on Thursday, November 9, so library staff can attend the New Hampshire Library Association fall conference. The Chesley Memorial Library will be closed to

observe Veterans Day on Saturday, November 11. The library will close at 4:00 p.m. on Wednesday, November 22, and will remain closed on Thursday, November 23, to observe Thanksgiving.
